My son is an outgoing, career-oriented, confident, hardworking, and fun-loving individual. He has completed his B.Com. and LL.B. from Chaudhary Charan Singh University (CCSU), Meerut, a field which he has always been passionate about.

After having obtained the above qualifications, he initially worked as a Legal Tax Consultant with CASN & Associates LLP, where he handled GST, Company Law, Income Tax matters, and other legal and tax responsibilities. Professionally, he is currently managing his own business concern working as the Managing Director of the Company with an annual income of Rs. 25-30 lakhs approximately. He is planning to expand further with new ventures in the near future.

He is organized by nature and appreciates keeping everything in order. When it comes to food, he relishes North Indian cuisine with great delight. In his leisure time, he listens to music and watches movies to unwind. He loves traveling and his last vacation was to Rishikesh, which was a refreshing break from his busy schedule.

He is now ready to find a life partner who will stand by him in all phases of life and intends to provide the same kind of support to his partner as well. We are looking forward to finding someone who values family, warmth, and growth, and who will add joy and companionship to their journey ahead.
